SUBJECT: Prevention of Sexual Harassment Policy

c. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

- 7. Individuals who are sexually harassed by supervisors, superiors, co-workers, or peers should make it very clear such behavior is offensive and is expected to cease. If it continues after such warning, then it must be reported to the appropriate supervisory level. It is the responsibility of every supervisor and manager (military and civilian) to examine the matter and take necessary action to ensure instances of sexual harassment are addressed swiftly, fairly, and effectively.
- 8. Complaints of sexual harassment may be filed with the Equal Employment Office or an EEO Counselor.
- 9. I know that you will support my commitment to establish a Command climate where all employees are treated with dignity and respect. People of a professional and caring organization neither engage in nor tolerate any form of sexual harassment. I need your help to ensure that the Vicksburg District is free of such offensive behavior.
- 10. This policy letter will be posted permanently on all official bulletin boards.
